

CHASE S. FOSTER

UC Berkeley MIDS Graduate Student

☎ 423-300-3841 ✉ chasefoster319@gmail.com ✉ chase_foster@berkeley.edu

📍 828 Topoca Trail, Athens, TN 37303

CAREER OBJECTIVE

Graduate student in UC Berkeley's MIDS program with a background in Statistics, seeking a data science position where I can apply machine learning and analytical skills to solve real-world problems and contribute to impactful, data-driven projects.

EDUCATION

2025 - Present

University of California,
Berkeley

Master of Information and Data Science

- Completed Graduate Coursework: Experimentation and Causal Inference, Applied Machine Learning, Fundamentals of Data Engineering, Research Design, Data Science Programming
- In-Progress Coursework: Natural Language Processing with Deep Learning, Machine Learning Systems Engineering
- Relevant Planned Coursework: Fundamentals of Generative AI

2021 - 2025

East Tennessee State
University

Bachelor of Science in Mathematics/Statistics

- Graduated Summa Cum Laude
- Major: Mathematics – Statistics Concentration
- Minors: Computer and Information Science and Global Citizenship
- GPA: 3.976
- Member of the ETSU Honors College through the Global Citizens Scholars Program
- Summer 2022 – Study Abroad in England and Ireland
- Fall 2021 – Spring 2022 Participated in Army ROTC
- Scored 99th percentile on California Critical Thinking Skills Test (CCTST)

2017 - 2021

Claiborne High School

High School Diploma

- Graduated Valedictorian

INTERNSHIP EXPERIENCE

2023

Kansas City Royals
Dominican Academy

Summer Data Analytics Intern

- Taught Dominican baseball prospects English and about American culture to assist in their transition into the minor leagues in the United States.
- Worked with the video department to gain experience filming, editing, and uploading game and practice footage as well as gaining experience with data collection equipment such as Rapsodo and Trackman.
- Managed and completed daily stadium operations.
- Conducted post-game interviews of the players and assisted in managing the Dominican Royals social media accounts.
- Completed a research project analyzing Latin players on MLB 40-man rosters.

WORK EXPERIENCE

2022 - 2025

ETSU Center for
Academic Achievement

Statistics & Computer Science Tutor

- Tutored students at East Tennessee State University in Calculus, Probability and Statistics, Pre-Calculus, Algebra, Trigonometry, and Computer Science

2024 - 2025
Southern Craft BBQ

Server / Host

- Worked as a server at Southern Craft BBQ in Johnson City.
- Assisted in setting up and running catering events, take-out orders, and hosting.

2024
Kingsport Axmen

Stadium Operations

- Operated stadium sound and assisted announcers during the games.
- Ran concessions stands, prepared food, and assisted with food and beer deliveries.
- Ensured the cleanliness of the ballpark and prepared the stadium for fans.
- Assisted fans if they had questions or needed help.

2021
England's Furniture

Loading Dock Worker

- Located pieces of furniture and loaded furniture onto shipping trucks.
- Ensured the cleanliness of the warehouse.

LEADERSHIP EXPERIENCE

ETSU Army ROTC
2021 - 2022

Contracted Cadet

- Trained to effectively lead others in simulated high-stress situations.
- Held the roles of team leader and squad leader in many tactical field training exercises.
- Led morning physical training preparation.

VOLUNTEER EXPERIENCE

2023

- Donated food and water to a village in San Pedro de Macoris, Dominican Republic.
- Helped lead a baseball clinic for the children of the village.
- Taught the children how to throw. and catch.

2023

- Played games with children of an orphanage in Santo Domingo, Dominican Republic.
- Donated food and water to the orphanage.

2023

- Spent time with children at a Children's Cancer Institution in Santo Domingo, Dominican Republic.
- Donated clothes, toys, games, food and water to the institution.

2022

- Helped first-year Honors students move into dorms at East Tennessee State University.
- Also helped run Honors orientation events which helped students get settled into the university and meet other students and staff.

SKILLS

- Leadership
- Python, R, SQL, Java, C#
- Machine Learning
- Time-Management
- Critical Thinking
- Regression & Clustering
- Version Control
- Collaboration
